FOR IMMEDIATE RELEASE

Investigation Hotline Named Top Choice Private Investigation Services in GTA.

Toronto, Ontario - Jan 12, 2023- It is with great pleasure that Investigation Hotline announces that it has been named the Top Choice Private Investigative Agency in the GTA for 2023. This prestigious award recognizes businesses that have excelled in customer satisfaction, service quality, and business excellence.

The Investigation Hotline has won the Top Choice Awards Poll for the second time. The company's founder, Mitchell Dubros, said, "My colleagues and I greatly appreciate the honor and acknowledge the work of our experts." "We are pleased to announce that Investigation Hotline has been named the Top Choice Private Investigative Services of 2023 in the Greater Toronto Area. Congratulations!" wrote Dyvine Silvestre, the Top Choice Awards representative.

To see the company in the Top Choice list, please check out www.topchoiceawards.com/winnerpages/gta Throughout the year, submissions and votes were sent to the survey organization from local consumers across Canada. These submissions serve as their way of showing their gratitude to the Investigation Hotline, which demonstrates their high level of professionalism. The company went through the iTrust Qualifying procedure after submitting. Upon certification, Investigation Hotline was included in the list of only reliable local businesses on iTrustLocal.com. Across Canada, successful businesses are honored and celebrated by the Top Choice Awards organization. Canadians can vote for their favorite businesses in various categories in the organization's annual survey.

Since 1988, Investigation Hotline experts have assisted many clients with positive life-changing results. "Great service! I got an immediate response, and they solved my case instantly!", "They responded quickly and seemed very interested in providing me good services." More than 200 verified reviews written by appreciative customers can be found on their Google page. The organization offers 14 different high-quality investigation-related services with varied degrees of complexity domestically and internationally. Several situations, including industrial accidents, insurance fraud, aerial surveillance, and allegations of infidelity, benefit from the expertise. Modern intelligence-gathering techniques are used by their team of private investigators to provide thorough and admissible case reports supporting litigation cases of all sizes.
